The Jews Fix A Price On Muslim Blood

whilst the leaders continue to drink it!

The Prophet (saw) said "the blood of a Muslim is dearer to Allah than the sanctity of the Ka'bah and its surroundings". He also said "the life of a Muslim is dearer to Allah than the whole world". However, the State of Israel and the puppet 'Muslim' governments seem to have their own ideas about the value of a Muslim life. An Israeli military court 'sentenced' four soldiers for the killing of an eighteen year old Muslim. Their 'punishment' was one hour in jail, which was subsequently suspended, and a fine equivalent to one third of an American cent.

This event is not an exception to the rule, rather it is the rule itself. Last month, a Jew in al-Khalil (Hebron) kicked to death an eleven-year-old Muslim - Hilmi Shawash. Layla Shawash - Hilmi's cousin, said that the Jew "Continued to kick Hilmi after he had fallen to the ground". On that same day, again in al-Khalil a group of Jews shouted "Hebron (sic.) is ours" and cursed

Muhammad Rasullullah (saw). Israel and its paymaster in Washington have indeed showed their utter contempt for the value of a Muslim life.

The American Government has consistently supported the barbaric Israeli State since its inception in 1948, and successive American Presidents have showed their utter contempt for the Muslims within the area. Truman, Eisenhower, Kennedy, Johnson, Nixon (Kissinger-his secretary of state), Ford, Carter, Reagan, Bush and Clinton have consistently supported the principle of an Israeli State. This State has been involved in the occupation of Islamic land, the usurping of numerous properties, the expulsion of millions of people, the massacres at Deir Yassin, Sabra and Shatilla and the continuous killing of Muslims. Israel has been financed by billions from Washington, as well as receiving arms and other technologies. Yet despite

the fact that America has supported the principle of an Israeli State so openly and actively, the governments in our lands are currently supporting American foreign policy objectives in the Middle East. Whilst the Prophet (saw) fought the Jewish tribes of Qaynuqa', Nadir, Qurayzah and Khaybar, the traitors of the Muslim world respond to the Jews and Bill Clinton in a pathetic and sycophantic manner. Instead of sending a message of rejection of the American sponsored 'peace process' and a declaration of Jihad on Israel to the President, the following is a summary of their treacherous statements in the wake of the re-election of Bill Clinton.

Syrian President Hafez al-Assad said in a cable to Clinton, "With our great appreciation for the efforts you exerted during the recent years to achieve a just and comprehensive peace in our region, we expect to resume the work which we both did together during your first term." Jordanian Information Minister Marwan Muasher remarked, "We think he has been very instrumental in pushing the peace process forward and we hope he will do even more in terms of getting the peace process out of its present crisis". Palestinian Legislative Council speaker, Ahmed Korei, was quoted as saying; "We consider the victory of President Clinton a positive step towards a comprehensive, just and permanent peace in the Middle East". King Hassan of Morocco told Clinton, "Your determination and personal convictions, with no doubt, make prevail reason and respect for commitments already taken, with respect to the 'peace process' ". Tunisian President Zine al-Abidine Ben Ali said that Tunisia would continue its co-operation with Washington in efforts towards peace in the Middle East.

Once again these traitors have clearly demonstrated their 'talents' in degradation, humiliation and sheer spinelessness. Their implementation of Kufr requires the Islamic Ummah to remove them and replace them by one Khaleefah who will implement the Khilafah system, declare Jihad against the Israeli State, challenging and ultimately destroying the supremacy of the American world order. ■

Bhutto Gets 'Bhotted' ~ Again!

President Farouk Leghari used the Eighth Amendment in the Pakistani Constitution to dissolve the 'Democratic' Government of Benazir Bhutto. It was this same Eighth Amendment that was used to remove the Junejo Government, the Bhutto Government (1990) and the Sharif Government in 1993. Leghari, like his predecessor Ghulam Ishaq Khan, has therefore cited the Pakistani Constitution as a source to remove a corrupt government. However, it is this very Pakistani Constitution which is the source of the real corruption in Pakistan. It is the same Constitution that allows the corrupt political parties to exist, and allows corrupt politicians such as Leghari, Bhutto, Sharif and Khan-'Goldsmith' to stand for election. All debate thus far has centred on to which party should rule Pakistan (Bhutto, Sharif, Khan-'Goldsmith'). However, what has been seen since the partition of Pakistan is a succession of failed leaderships. This is because all the political parties, past and present (including Jamaati Islam), have sworn allegiance to this corrupt Pakistani Constitution. The solution to the corruption is a change of the Constitution, from the current secular, democratic model which is based on the old British system to an Islamic constitution which is based on the Qur'an and Sunnah.

Pakistan was created in the name of Islam. Approximately one million Muslims gave their lives for it. However, Islam has NEVER been on the agenda. It was Mohammed 'Ali Jinnah who said that, "History, will be the ultimate judge of Pakistan".No comment!

Sabre Rattling Against Isreal

Asked at a joint news conference in Damascus with Egyptian President Hosni Mubarak whether he ruled out an Israeli attack against Syria or South Lebanon, Assad said "This should not happen, but nobody could say that it will not happen. It is a possibility." More than five years of painstakingly slow peace talks between the two countries have stalled over the Golan Heights, occupied by Israel in the 1967 Six-Day war. Damascus demands a full Israeli withdrawal, Netanyahu has vowed never to give up this strategic plateau.

...THE ATTACK AGAINST ISRAEL IS NOT A POSSIBILITY, IT IS NOT A PROBABILITY, BUT IT IS A DUTY AND A CERTAINTY THAT MUSLIMS WILL ATTACK IT AND DESTROY IT UNDER THE FLAG OF THE KHILAFAH.

Iran's Shaitan Offensive

Irans' U.N ambassador - Kamal Kharrazi, was quoted, calling for a U.N-sponsored conference on the conflict in Afghanistan, accusing the United States of sabotaging Tehran's mediation efforts. "Iran supports the U.N. initiative to convene an international meeting of states concerned with Afghanistan in the near future as a first step."

...IRAN HAS CONSISTENTLY CALLED THE U.S. 'THE GREAT SHAITAN' AND THE U.N. THE 'MAJLIS AS-SHAITAN'. IRAN HAS LOST ALL CREDABILITY IN THE EYES OF THE MUSLIMS AND ONLY HER AMERICAN MASTERS CAN BE PLEASED WITH STRATEGIES LIKE THIS.

Taliban's Crime Against Allah (swt)

The acting Minister of Information in the Taliban administration, Amir Khan Mutaqi, said the United Nations would be committing a "moral crime" by failing to recognise what he said was the Taliban's rightful status. ... "A real Islamic government (sic) has been established in Afghanistan. It controls most of the country, including the capital, and we ask the U.N. to give the Afghan seat to the real representatives of the Afghan nation," he told a news conference.

...THE REAL CRIME IS TALIBAN'S FAILURE TO IMPLEMENT ISLAM AND SEEKING BLESSING FROM THE KUFUR WORLD.

Kuwaiti Regime Sheds NO Tears For Muslims

A memorial for Americans killed in the 1991 Gulf War was erected in Kuwait in a ceremony which was earlier postponed due to security concerns. ... "Kuwait will remain free" U.S. Ambassador Ryan Crocker told a ceremony at the U.S. embassy.

...COMMEMORATION FOR THE U.S. SOLDIERS BUT NO COMEMMOARTION FOR THE 500,00 MUSLIMS OF IRAQ KILLED IN THE GULF WAR.

Dignity For The King But Not For The Deen

King Hussein called for Laith Shubailat's release in a royal decree sent to Prime Minister Abdul-Karim al-Kabariti. Shubailat was imprisoned for three years in March for "violating the dignity of the king" after scathing public attacks on King Hussein's policies, in particular Jordan's 1994 peace treaty with Israel. ... "God knows that the period Shubailat spent in prison weighed heavily on my soul as it was on him and his family, thank God, I am not one who bears any grudges." said the king's letter, read out on television.

... NOR WILL THE UMMAH NEED TO BEAR ANY GRUDGES WHEN YOU ARE PUNISHED FOR VIOLATING THE DIGNITY OF ISLAM BY YOUR KUFUR RULE AND TREACHEROUS HISTORY.

Israel Hoped For More Fruits Of Peace In Cairo

The Israelis went to the Cairo economic summit armed with a 180-page "Programmes for Regional Co-operation" ranging from improving the drinking water in the Gaza Strip to a proposed \$5 billion Red Sea-Dead Sea canal to produce electricity — a project on the books for decades.

...THE REGIONAL CO-OPERATION WE SHOULD BE CALLING FOR IF FOR ALL MUSLIMS IN THE AREA TO CO-OPERATE TO FORM AN ARMY TO DESTROY THE STATE OF ISRAEL.

Ciller And Hussein's 'Portrait Of Islam'

Turkish Foreign Minister Tansu Ciller held talks with Jordan's King Hussein and Prime Minister Abdul-Karim al-Kabariti on economic and defence co-operation. She was quoted as saying: "We have come... to benefit our two countries in terms of the economy, in terms of the (Middle East) peace process that Jordan has contributed to in a very extensive way and we want to share our views on security interests in the region as a whole."

Kabariti said: "We have given Islam and Muslims the right portrait — the portrait of democracy, of moderation."

...A PORTRAIT OF KUFUR, A PORTRAIT OF SURRENDER, A PORTRAIT OF SLAVERY TO THEIR WESTERN MASTERS... SOME PORTRAIT.

Chirac Shows His True Colours And Commitments

President Jacques Chirac inaugurated a monument to the two million French soldiers, including himself, who fought unsuccessfully from 1952 to 1962 to keep Algeria, Morocco and Tunisia under France's flag. ... "They dreamed of a more fraternal society (in the former North African possessions) which would have stayed forever tied to France," said Chirac, a junior officer in Algeria during his compulsory military service from 1956-1957.

...WHILST THE FRENCH DREAMT OF CONTROLLING NORTH AFRICA, MUSLIMS WOKE UP AND KICKED THEM OUT THIRTY YEARS AGO. KEEP DREAMING FRANCE BECAUSE THE NEXT STEP IS THE KHILAFAH WHICH WILL REMOVE YOUR REMAINING CONTROL ONCE AND FOR ALL.

Europeans Try To Tuck Into Middle East

"What is lacking at present is an overall structure to encourage co-operation between all the countries of the region with the help and participation of friends outside, like Britain, France, the United States and others"

Malcolm Rifkind suggested a body that could be called the Organisation for Co-operation in the Middle East (OCME), which would provide a framework for dialogue and active collaboration.

Rifkind further stated: "It would help to lower barriers and improve links, it would help investment promotion agreements. Its precise priorities would be for its participants to decide."

...FIRST CHIRAC, NOW RIFKIND; REMEMBER SYKES-PICOT?

Egypt Considers 'Gassing' The Jews !

Israel and Egypt are considering building a pipeline to bring natural gas from Egypt to Israel. Among companies developing the Egyptian gas fields is Amoco.

At least two other U.S. companies, Brooklyn Gas and Enserch, are said to be interested in building the Israeli portion of the pipeline.

... MORE WEALTH OF THE ISLAMIC UMMAH IS TO BE HANDED OVER TO HER ENEMIES BY THE EXISTING PUPPETS.
